JEFFERY RANKEN,

(having been first duly sworn by the Notary  
Public, was examined and testified as follows:)

EXAMINATION

BY MR. SORSBY:

Q Mr. Ranken, thank you for coming today. Were you  
able to hear some of the instructions I gave the  
last deponent?

A Yes.

Q All right. I'm going to go ahead and repeat them.  
The stenographer cannot record if you shake your  
head yes or no. You'll have to verbalize your  
response to my questions. If my questions aren't  
clear, please ask me to repeat the question because  
I want to make sure you're answering the question  
that I'm posing to you. From time to time your  
attorney may object to the form of the question.  
You'll still have to answer the question, but he's  
just recording for the record his objection to the  
form of my question. And I may repeat the question  
to make sure the form is correct. If at any time  
you need to take a break, please let me know and we  
can take a break. If you need water, there's water.

1 Other than that do you have any questions in regards  
2 to my instructions?

3 A No.

4 Q Can you give us a little background, Mr. Ranken?

5 Can you tell us who you're currently employed with?

6 A Rensselaer County Sheriff's Office.

7 Q And how long have you been employed there?

8 A A little over 18 years.

9 Q In what capacity are you employed right now?

10 A As a lieutenant, operational lieutenant.

11 Q And how long have you had that position?

12 A About a year and a half.

13 Q And what position did you have before that?

14 A I was a correctional sergeant.

15 Q And how long were you in that position?

16 A I think I was a sergeant for probably about seven or  
17 eight years.

18 Q And were you a sergeant during Mr. Gorman's  
19 employment?

20 A Yes.

21 Q Can you just briefly tell us what education you  
22 have, Mr. Ranken? Do you have like a college  
23 degree?

24 A I have a two-year degree, yes.

1 Q And what is that in?

2 A It's in individual studies.

3 Q Where did you get that from?

4 A Hudson Valley Community College.

5 Q Before you were a sergeant what position did you  
6 hold?

7 A I was a corporal.

8 Q And then before that?

9 A Before that I was an officer.

10 Q Because I'm not familiar with the chain of command  
11 at the jail, did you say an operational...

12 A Operational lieutenant, yes.

13 Q Lieutenant. Okay. And you have supervisory  
14 capacity?

15 A Yes.

16 Q How many people do you supervise right now?

17 A Right now I supervise the B-line shift.

18 Q Okay.

19 A There is 30 officers each day and four sergeants  
20 each day assigned to that shift.

21 Q In your prior capacity as a sergeant did you have a  
22 supervisory role at that time as well?

23 A Yes.

24 Q And how many people did you supervise at that time?

1 A Approximately the same number. I was a watch  
2 commander on the B-line shift.

3 Q Can you tell us the responsibilities of a watch  
4 commander?

5 A Just overall duties, assigning job assignments, and  
6 making sure everybody is doing their job.

7 Q You said a watch commander for the B-line shift.  
8 What's a B-line shift?

9 A B-line shift is days, which is seven to 3:30 or 7:30  
10 to 3:30.

11 Q Now, is this the shift that Mr. Gorman was on?

12 A Yes.

13 Q Did you have a particular office as watch commander?

14 A We share an office, yes. Watch commanders all share  
15 the same office.

16 Q Where was that?

17 A It was near the central control room.

18 Q And is that in the protected part of the jail?

19 A It's in the secured part. Yes.

20 Q Secured part. Okay. Now, as the watch commander  
21 were you responsible for the safety of all of the  
22 prisoners under your command or in the facility at  
23 that time?

24 A Yes.

1 Q And were you responsible for all of the corrections  
2 officers as well?

3 A Yes.

4 Q Okay. That would include their safety as well?

5 A Yes.

6 Q Okay. Did anybody -- as the watch commander was  
7 there anybody that functioned -- that shared your  
8 duties in regards to the facility?

9 A There would've been three other sergeants who  
10 would've been assigned to the shift with me.

11 Q Okay. And did they work under you in that regard?

12 A Yes.

13 Q All right. And in the chain of command who did you  
14 report to?

15 A I reported to Captain Hal Smith.

16 Q So I want to just direct your attention back to  
17 October of 2012.

18 A Okay.

19 Q And do you recall having conversation with  
20 Mr. Gorman in regards to a phone call that  
21 Mr. Gorman had received from an Anthony Patricelli?

22 A I remember hearing about it. I don't remember if I  
23 heard it from John or where I heard it, but I do  
24 remember hearing about that.

1 Q Okay. Do you remember -- now, we're talking about  
2 the same October again of 2013. Do you remember  
3 Mr. Gorman -- did Mr. Gorman come to you and make a  
4 report about a threatening phone call?

5 A I don't remember that.

6 Q Okay. When do you remember hearing for the first  
7 time about the threatening phone call from  
8 Mr. Patricelli to Gorman?

9 A I don't remember a particular date. I remember  
10 hearing about it. But as far as a date I couldn't  
11 tell you.

12 Q Okay. And you don't remember who told you that?

13 A No.

14 Q Okay. Let's talk a little bit about what -- and I'm  
15 talking about the timeframe of October 2013 right  
16 now until December 2013. In your capacity as a  
17 watch commander in what way did you have any  
18 interactions with Mr. Gorman?

19 MR. MARTIN: Do you have the year right?

20 Q We're talking about 2012, excuse me. We're talking  
21 about 2012.

22 A Okay. I think John was a supervisor if I remember  
23 correctly. So he would've been the supervisor  
24 assigned to my shift.

1 Q All right. So you had said -- you had indicated  
2 that there were sergeants that work underneath you.  
3 Would Mr. Gorman have been one of those sergeants?

4 A Yes.

5 Q Isn't it also true that you are a training  
6 supervisor as well?

7 A I was an FTO, yes, field training officer.

8 Q Okay. And were you training Mr. Gorman? Were you  
9 his training supervisor?

10 A I think I was. I'm not 100 percent sure. I believe  
11 I was.

12 Q Okay. Why do you not know if you were or not?

13 A I don't remember if I trained John or not. I know  
14 he was assigned to my shift. I don't remember if I  
15 was his field training officer.

16 Q What does a field training officer do?

17 A Usually someone is assigned to you and you show them  
18 how to do the job.

19 Q Do you recall showing Mr. Gorman how to do the job?

20 A Yes.

21 Q And how long did you do that type of training?

22 A I think usually with a supervisor it's like one or  
23 two weeks with someone assigned with you.

24 Q And do you recall having that training with

1 Mr. Gorman?

2 A I don't remember. I know he was assigned to my  
3 shift, and as part of one my sergeants on my shift I  
4 would've helped train him. I don't remember if he  
5 was assigned with me specifically during that time  
6 period.

7 Q Okay. Now, do you recall an incident involving  
8 Mr. Gorman and the use of an auxillary firearm?

9 A Yes.

10 Q When do you recall to the best of your recollection  
11 when that happened?

12 A I don't remember. I don't remember dates of when it  
13 happened.

14 Q And what do you remember of that event?

15 A I remember John did a transport and I think the  
16 issue was that the weapon wasn't signed in when it  
17 was returned, if I remember correctly.

18 Q Okay. And did you file that complaint?

19 A I think I did. But without seeing it, I can't  
20 remember if I did the paperwork on that or not. I  
21 didn't initially find it, but I believe I did the  
22 information or the writeup for it.

23 Q Did you also deliver it to Mr. Gorman?

24 A I don't recall if I did or not.

1 Q Did you have any discussions with a Sergeant Maselli  
2 regarding that event?

3 A Before the event or during or...

4 Q Well, after the event.

5 A I don't remember if I did or not.

6 Q All right. Was the alleged violation observed by  
7 you or some other witness?

8 A It was brought to my attention by the captain,  
9 Captain Smith.

10 Q Okay.

11 MR. SORSBY: Kevin, I'm going to introduce  
12 this as an exhibit. Do you want copies real  
13 quick first?

14 MR. MARTIN: Sure, if you could.

15 MR. SORSBY: I'll be right back. We can  
16 go off the record for a moment.

17 (Whereupon, there was a short recess in the  
18 proceedings.)

19 (Plaintiff's Exhibit 1 was marked for  
20 identification.)

21 BY MR. SORSBY:

22 Q So we're back on the record. I'm going to show you  
23 what's been marked as Plaintiff's Exhibit 1. Take a  
24 few seconds to look that over if you need to.

1 (Witness examines document.)

2 Do you recall signing what's been marked  
3 as Exhibit 1?

4 A Yes.

5 Q All right. Do you see where it says "Offense  
6 Observed/Reported By"?

7 A Yes.

8 Q What's the name --

9 A Sergeant Maselli.

10 Q Okay. Do you now remember who brought this report  
11 to you?

12 A Yes. I believe the captain was talking about that  
13 he was going to have to do a writeup and I said I  
14 would do it for him.

15 Q Okay.

16 A And I guess it must've been reported to him by  
17 Sergeant Maselli.

18 Q So did you talk to Sergeant Maselli in regards to  
19 this complaint?

20 A I don't remember if I did or not. I know the  
21 captain was talking about that he was going to have  
22 to do the writeup for it and I said I would do it  
23 for him since I was the watch commander.

24 Q All right.

1 A And it must've been that Sergeant Maselli must've  
2 reported it to him.

3 Q Okay. And do you see where it says "Warning given  
4 by," is that your signatures?

5 A Yes.

6 Q So do you recall giving this to Mr. Gorman?

7 A Yes.

8 Q All right. We're done with that for now.

9 Just a real quick question. Does this  
10 Exhibit 1, is this -- this is normally -- this  
11 normally has an informational affixed to it;  
12 correct? It's normally not like this. There's  
13 another document that usually goes with this; isn't  
14 that true?

15 A It could. It could. It may not always, but it  
16 could have an informational that goes with it.

17 Q Do you know what an informational is?

18 A Yes.

19 Q Can you tell us what it is?

20 A It's a report, a written report about the incident.

21 Q All right. Is it standard procedure that the  
22 informational goes with an incident report like  
23 this?

24 A I don't know -- I haven't always gotten an

1 informational with all of these.

2 Q All right. Do you recall having a conversation with  
3 Mr. Gorman in regards to Mr. Patricelli making  
4 attempts to write Mr. Gorman up?

5 A I don't remember having a conversation. No.

6 Q Do you have any knowledge as to whether or not  
7 Master Sergeant Patricelli had attempted to have  
8 Mr. Gorman written up?

9 A Not that I know of.

10 Q Okay. Now, in your capacity as watch commander did  
11 you have an occasion to do a work appraisal report  
12 for Mr. Gorman?

13 A Yes.

14 Q And how many do you recall giving?

15 A I couldn't give you a number of how many. I don't  
16 know.

17 Q All right. How did the appraisals -- how were the  
18 appraisals generally for Mr. Gorman?

19 A I think they were very good.

20 MR. SORSBY: I'm going have this marked as  
21 an exhibit. Mr. Martin, I think what I'll do  
22 is have it marked first and then I'll make a  
23 copy so you can keep the number on there.

24 MR. MARTIN: Sounds good.

1 MR. SORSBY: Off the record for a minute  
2 and get some things marked.

3 (Plaintiff's Exhibits 2 and 3 were marked for  
4 identification.)

5 BY MR. SORSBY:

6 Q Back on the record. My secretary may come in with  
7 the other documents, but we'll keep going here.

8 I'm going to show you what was marked as  
9 Exhibit Number 2. Do you recognize this document?

10 A Yes.

11 Q How do you recognize this?

12 A It's a performance evaluation.

13 Q And can you see who the performance evaluation is  
14 of?

15 A John Gorman.

16 Q Is this something that you filled out?

17 A No.

18 Q Okay. Is this something that -- is this the type of  
19 evaluation that they typically fill out at the jail?

20 A Yes.

21 Q Do you recognize the names on the front of the  
22 paper, some of these sergeants that are listed on  
23 it?

24 A Yes.

1 Q Okay. I'm going to actually -- so what I'm going to  
2 do is I'm going to show you Exhibit 3, I don't have  
3 any further questions on that, and have you take a  
4 look at Exhibit 3. Do you recognize this document?

5 A Yes.

6 Q And how do you recognize this document?

7 A It's the same thing, performance appraisal,  
8 evaluation.

9 Q And whose the evaluation of?

10 A John Gorman.

11 Q Is this something that you prepared?

12 A Yes.

13 Q And can you tell us the timeframe of this  
14 evaluation?

15 A October 1, 2012 to February 15th, 2013.

16 Q Well, actually notice there appears to be two  
17 performance appraisals in here towards the back of  
18 it. So the first one goes one through page, looks  
19 like six, and then there's a couple of pages  
20 attached and then there's a new page one. Do you  
21 see that?

22 A Yes.

23 Q So you did, yourself, did two evaluations of  
24 Mr. Gorman?

1 A Yes.

2 Q Okay. It looks like the dates of these two  
3 evaluations overlap a bit. Do you see that?

4 A Yes.

5 Q Can you tell us -- do you know why that might be?

6 A The first part is for correctional sergeant and the  
7 second one is for correctional officer.

8 Q Okay.

9 A So I believe that's the time when John went back  
10 from being a supervisor back to an officer.

11 Q And do you know why he went from being a sergeant to  
12 being an officer?

13 A Because he was provisional. He was provisional, and  
14 then the new test grades came out and other people  
15 were promoted and he was put back to officer.

16 Q All right. These are a lot -- there are a lot of  
17 pages in these evaluations.

18 A Yes.

19 Q Were both of the evaluations satisfactory of  
20 Mr. Gorman?

21 A Yes.

22 Q All right. In fact, isn't it true if you read the  
23 last page of the provisional sergeant evaluation in  
24 there you state, "It was a pleasure to have worked

1 with him in the capacity of a supervisor. I feel he  
2 was doing a very good job"?

3 A Yes, yes.

4 Q All right. Well, we're done with that. I think  
5 your evaluation speaks for itself.

6 A Okay.

7 Q Do you know who Thomas Hendry is?

8 A Yes.

9 Q And how do you know Mr. Hendry?

10 A As I think he's Human Resources.

11 Q For...

12 A For Rensselaer County.

13 Q Okay. And have you spoken to Mr. Hendry in regards  
14 to Mr. Gorman at all?

15 A Yes.

16 Q When was the first time you spoke to Mr. Hendry  
17 about Mr. Gorman?

18 A I don't remember when I spoke to him. I think he  
19 came down to the jail once and asked me a question I  
20 think about if I've ever witnessed workplace  
21 violence. I think that's all I ever spoke to him  
22 about.

23 Q Okay. And what was your response to Mr. Hendry?

24 A No.

1 Q That you had never seen workplace violence period?

2 A Right. If I had seen an incident of workplace  
3 violence and I said no.

4 Q Okay. Did a discussion come up with Mr. Hendry  
5 about the allocation of assignments to Mr. Gorman in  
6 regards to whether those are punitive or not?

7 A I don't recall a conversation about that with him.

8 Q Okay. Now, you said he came down to meet you in  
9 person?

10 A Yes.

11 Q Was he taking notes at that time?

12 A I think so.

13 Q Okay. Did you say anything in regards to  
14 Mr. Gorman's performance as to whether or not he was  
15 a good officer, et cetera?

16 A I don't remember the conversation with him.

17 Q Okay. Do you have any knowledge about the set up of  
18 videos in the secured portion of the jail, video  
19 cameras, surveillance systems?

20 A Yes, a little bit.

21 Q Tell us about what you know.

22 A I know there's a couple of systems throughout the  
23 jail. They have monitors and you can see the videos  
24 of goings on at the jail. You can use it to burn CD

1 recordings if you need to of incidents that  
2 happened. There's two separate systems.

3 Q Two separate systems?

4 A Well, I guess it's one system. There's one main  
5 system in the control room, then there's like a  
6 couple of satellite systems where people can monitor  
7 what's going on or review videos, burn CDs.

8 Q Okay. So does anybody have access to these cameras?

9 A Now or...

10 Q I'm talking about -- for all relevant times I'm  
11 talking about the time in question. So we're  
12 talking about 2012.

13 A Yes.

14 Q Anybody has access to the cameras?

15 A Well, not anybody. Certain people have access to  
16 cameras. Yes.

17 Q And do you recall during that timeframe what certain  
18 people?

19 A I think Captain Hal Smith, Lieutenant Karam, Tony  
20 Patricelli and I believe Chief Vibert.

21 Q Did you have access?

22 A I didn't have it in my office, no.

23 Q Okay. And just for the layperson's sake, access to  
24 the cameras means access to the video control room?

1 A There's a main control room that has video for the  
2 whole jail. There was like, I guess for like lack  
3 of a better term, satellite things where there was  
4 computer with monitors in different offices,  
5 captain's office, chief's office, Patricelli's  
6 office, Karam's office. They had like their own  
7 separate viewing station.

8 Q All right. Now, the main camera room, the main  
9 control room, who has access to that room?

10 A The control room officers, supervisors, any officers  
11 who go in there to do reliefs or go into control.

12 Q And that room is that staffed by more than one  
13 person?

14 A Staffed by two people. Yes.

15 Q Two people. At all times?

16 A Midnights there's one person.

17 Q Okay. In the main control room, and again 2012, did  
18 staff have the ability to control cameras?

19 A Yes.

20 Q So they can change the position of the camera?

21 A There are certain cameras that are called PTZ  
22 cameras, and they can be moved from any of the  
23 stations.

24 Q Okay. So the main control or the satellite control?

1 A Yes.

2 Q All right. Now, the satellite control rooms, these  
3 are rooms within these senior individuals, in their  
4 offices? So like there'd be a satellite office,  
5 video control in Patricelli's office and Karam's  
6 office?

7 A It would just be a separate computer system in their  
8 office.

9 Q Okay.

10 A There's two that can open doors; visitation control  
11 and control. They can open doors. The other  
12 stations you can't open doors from. You can just  
13 view, view the cameras.

14 Q Okay. So you're saying in some of these satellite  
15 offices you can control who enters and who exits the  
16 jail?

17 A Yes. Well, the two -- sorry. The two -- the main  
18 control room and the visitation control room are the  
19 only two you can.

20 Q All right. But not the individual satellite offices  
21 like Patricelli?

22 A Correct.

23 Q Okay. Can you tell us where, as the watch  
24 commander, where in the secured facility is your

1 office?

2 A Basically the center.

3 Q The center?

4 A Right next to the main control room.

5 Q Okay. And where is your office in relation to  
6 Master Sergeant Patricelli's office?

7 A My office is near the center, his office is near the  
8 front entrance of the jail.

9 Q Is his office in the secured facility?

10 A No.

11 Q It's not. Okay. And just to give me some  
12 background, the secured facility is one building,  
13 just one standalone building?

14 A The one building is one standalone building. Yes.  
15 The secured part is where the inmates are.

16 Q Okay.

17 A Then you have the offices, administration. The  
18 administrative offices is the unsecured area of the  
19 jail.

20 Q And is that -- so is that detached from the secured  
21 facility?

22 A No. It's connected.

23 Q It's connected?

24 A Yes.

1 Q All right. Let's go a little bit forward in time to  
2 April of 2013.

3 A Okay.

4 Q Did there come a time when you had a discussion with  
5 Mr. Gorman in regards to him needing permission from  
6 you before he went somewhere in the jail?

7 A It wasn't permission. It was to let me know where  
8 he was going to go so I knew where he was going to  
9 be.

10 Q Okay. When did you have that conversation with him?

11 A I think it was shortly after he came back in to be  
12 an officer in the jail.

13 Q Do you remember when that happened?

14 A Probably on that -- probably says that on that  
15 evaluation when he came back as being an officer.

16 Q Actually, just for clarification. If we look at  
17 Exhibit 3 real quick, I'll come back to this line of  
18 questioning, I was just noticing, you can look at  
19 the appraisal, I think there's just a clerical error  
20 or a misunderstanding on my part. The date on that  
21 says February -- as a correction officer it says  
22 February 2012. Was that supposed to be  
23 February 2013? Do you see that? Because he was --

24 A Yeah, it must've been.

1 Q Because he was a provisional from 2012 October to  
2 February 2013; right?

3 A Must've been a clerical error. Yes.

4 Q All right. So sometime after he went back to being  
5 a correctional officer, which having read that do  
6 you think that was after or in February 2013 that he  
7 went back to being a correction officer?

8 A Yes.

9 Q All right. Now, why is it that he needed to talk to  
10 you before he went somewhere?

11 A Well, John at the time was -- he came back in the  
12 jail and he was assigned to a relief officer post.  
13 John also did an extra duty, which was worked on the  
14 keys in the facility, the keys and the locks. So  
15 when John had free time or time that wasn't  
16 accounted for in his schedule he would go work on  
17 keys. So I had told him to let me know when he's  
18 going to go work on keys so I know where he is. And  
19 if anybody was looking for him, then I would know  
20 where he is.

21 Q Okay. Can you tell us if there was a workplace  
22 violence policy in place in 2012-2013, this time in  
23 question, at the facility?

24 A I believe there was.

1 Q Okay.

2 A There is now. I know there is now. I believe there  
3 was at that time.

4 Q I'm going to get to that. I just want to back up.  
5 You had said earlier, I had asked you about who has  
6 control of the video cameras, and you said people  
7 had control then. What's the control of video  
8 cameras now? Has that changed? Was there a change?

9 A People have changed, so yes, it has changed.

10 Q Okay. The staff that has access has changed?

11 A Yes.

12 Q Okay. I just wanted to clarify that.

13 What did you understand the workplace  
14 violence policy to be at that time?

15 A I don't remember what it was at that time. I  
16 imagine it was the same then as it is now.

17 Q Now, you were the watch commander, you were a  
18 supervisor. Did you have any supervisory training?

19 A Yes.

20 Q Do you recall what that training was?

21 A Not all of it. It was a long time ago. But it  
22 was -- I know there was evaluations and stuff like  
23 that in the training.

24 Q Were you given training on workplace violence?

1 A I'm sure we were then. Yes.

2 Q You're sure you were. Do you know if you were?

3 A I don't know in fact if I was then.

4 Q Were you given training on recognizing  
5 discrimination based upon disabilities, violations  
6 of The Americans with Disabilities Act, things of  
7 that nature?

8 A I don't know if in fact I was at that point.

9 Q Based on your training what did you understand the  
10 policy to be at the jail for reporting acts of  
11 discrimination?

12 A I believe it would be reported to me and then  
13 forwarded up the chain of command up to the captain.

14 Q Okay. Are you aware that Mr. Patricelli had called  
15 Mr. Gorman and threatened to break his jaw?

16 A I've heard about it.

17 Q And when was the first time you heard about that?

18 A I don't recall when I first heard about it.

19 Q Did you have any discussions with any staff at the  
20 jail in regards to, other than Mr. Hendry, in  
21 regards to allegations of workplace violence against  
22 Mr. Gorman?

23 A None that I recall. Possibly if I did have any it  
24 would've been with Captain Smith and Ruth Vibert,

1           who was the chief at the time.

2       Q     What conversation did you have with Vibert in  
3           regards to Mr. Gorman's workplace violence  
4           allegations?

5       A     I don't remember a specific conversation with her  
6           about it.

7       Q     Isn't it true you had a phone call conversation with  
8           Ruth Vibert about Mr. Gorman's allegations?

9       A     I don't remember that.

10      Q     Okay. Do you recall being made aware that  
11           Mr. Gorman had an order of protection against  
12           Mr. Patricelli?

13      A     I do remember that happening. There was an order of  
14           protection at some point.

15      Q     All right. Who told you about that?

16      A     I don't remember who told me that.

17      Q     Okay. Were there any instructions given to you by  
18           your supervisors in regards to ensuring that  
19           Mr. Gorman was kept safe from Mr. Patricelli or to  
20           stay away from Mr. Patricelli?

21      A     I don't remember any specific instructions about it.  
22           No.

23      Q     Okay. In your capacity as the watch commander have  
24           you ever been informed one of your staff has an

1 order of protection against another staff other than  
2 Mr. Gorman?

3 A I don't think so.

4 Q What did you understand the policy to be if one of  
5 the workers that are underneath you, one of the  
6 corrections officers that you're supervising has  
7 made a threat of violence against another coworker,  
8 what are you to do? What have they instructed you  
9 to do in that regard?

10 A I would've -- at that point I would've forwarded him  
11 up to the captain and talk to the captain.

12 Q Do you recall giving testimony at a workers'  
13 compensation hearing regarding Mr. Gorman?

14 A Yes.

15 Q Do you recall what year that was?

16 A No.

17 Q Can you tell us when is the first time you met  
18 Master Sergeant Patricelli?

19 A Probably in 1997 when I started.

20 Q Did you know him outside of the work environment?

21 A I didn't hang out with him. No.

22 Q Okay. You said you had a number of people that  
23 you're responsible for. Are there other individuals  
24 that you have come to you and inform you as to where

1           they're going and what they're doing, or was this  
2           abnormal that you would have Mr. Gorman --

3   A       John was the only one that was assigned to a special  
4           detail besides his normal job duties.

5   Q       And that was what detail?

6   A       Working on keys. Key detail.

7   Q       And he had to inform you. But he had to inform you  
8           wherever he was going; correct?

9   A       Not all day, no. If he was going to go work on that  
10          assignment I told him to let me know when he was  
11          going to do it so I knew where he was going to be.

12   Q       Okay. Did you happen to see any interactions with  
13          Mr. Patricelli and Mr. Gorman?

14   A       Not that I can recall. No.

15   Q       Do you recall Master Sergeant Patricelli discussing  
16          or telling you that Mr. Gorman is spending too much  
17          time in Dunham's office?

18   A       Yes.

19   Q       Okay. When did he tell you that?

20   A       I couldn't give you date. I don't remember when  
21          that was. I remember him saying that he was  
22          spending an awful lot of time in Dunham's office.

23   Q       And how did he tell you that? Did he tell you that  
24          over the phone or did he come down and tell you?

1 A I don't know. I don't remember how he told me or  
2 when he told me.

3 Q How did you respond to that?

4 A I don't remember.

5 Q And when he told you he was spending too much time  
6 in Dunham's office, that was before you told  
7 Mr. Gorman that he has to tell you before he goes  
8 somewhere; is that true?

9 A It could have been. I don't remember.

10 Q Okay. And where is Mr. Dunham's office in relation  
11 to your office?

12 A At the time?

13 Q Hm-hum.

14 A We've moved a few times, so I'm trying to think of  
15 where he was then. I think he was in the central  
16 hallway near where my office is now, in the middle  
17 of the jail.

18 Q Okay. So his office was not next to Patricelli's  
19 office; isn't that true?

20 A Correct.

21 Q And for Petricelli to get to your office or Dunham's  
22 office he had to walk down the hall; correct?

23 A Yes.

24 Q Okay. And how far would you say Patricelli's office

1 is from your office?

2 A Probably 100 yards.

3 Q And Mr. Dunham's office, does he share that with  
4 anybody else as far as you know, or did he share it  
5 with anybody else?

6 A I don't think at the time.

7 Q Tell us for the record who Mr. Dunham is. What is  
8 his role in the chain of command? What was his role  
9 at that time?

10 A He was the sergeant at the time I believe.

11 Q All right.

12 A And he was in charge of like the transition detail,  
13 transitioning from the old jail to the new jail with  
14 the expansion project.

15 Q Now, you said that Patricelli had a satellite camera  
16 office; correct?

17 A In his office.

18 Q In his office. Okay. How did -- Patricelli came to  
19 you and said he was spending too much time in  
20 Dunham's office. How would he know that Mr. Gorman  
21 is spending too much time in Dunham's office?

22 A Whether he saw him there, saw it on video, heard  
23 phone or somebody calls on the radio and asks where  
24 you are and you say you're at this extension.

1           There's different ways.

2   Q       So Patricelli has a camera in Dunham's office?

3   A       Not in Dunham's office. He has his camera set up in  
4           his office so he can view all the cameras in the  
5           jail.

6   Q       Right. So is there a camera on the approach to  
7           Dunham's office?

8   A       There's a camera in that hallway.

9   Q       Okay. But do you know if there's a camera in  
10          Dunham's office?

11   A       Not in the office, not that I know of anyways.

12   Q       Okay.

13                   (An off-the-record discussion.)

14   BY MR. SORSBY:

15   Q       Can you tell us what, if any, steps you took once  
16           you found out there was an order of protection  
17           against Patricelli for Mr. Gorman to keep Patricelli  
18           away from Mr. Gorman?

19   A       I don't remember any specifics steps.

20   Q       Okay. Do you recall at the workers' comp hearing,  
21           the one we just discussed before regarding  
22           Mr. Gorman, you were asked did you get the  
23           impression that Patricelli is watching Gorman and do  
24           you recall saying yes?

1 A I don't recall what my answer was.

2 Q The additional question was, "Why did you get that  
3 impression that Patricelli is watching Gorman?" And  
4 he said, "Because he told me that he was spending a  
5 lot of time in Sergeant Dunham's office."

6 A Okay.

7 Q Do you recall saying that?

8 A I don't recall. But if it's there, then I said it.

9 Q Well, we'll get this -- I'm going to go off the  
10 record for a moment.

11 (Whereupon, a discussion was held off the  
12 record.)

13 (Plaintiff's Exhibit 4 was marked for  
14 identification.)

15 BY MR. SORSBY:

16 Q Back on the record.

17 So as you indicated earlier you recall  
18 being at a workers' compensation hearing, and we've  
19 marked -- when we were off the record we marked  
20 pages from a transcript from that hearing as  
21 Plaintiff's Exhibit 4. So I'd like to direct your  
22 attention to page 20. So if you look part way down  
23 it says, question:

24 "Q Okay. Did you get the impression that

1           Patricelli was watching Gorman?"

2                           Do you see what your answer was?

3   A     Yes.

4   Q     Okay. And then you see the next question:

5           "Q     Why did you get the impression Patricelli  
6           was watching Gorman?"

7                           Do you see what your answer was?

8   A     Yes.

9   Q     What did you say?

10   A     "Because he told me that he was spending a lot of  
11           time in Sergeant Dunham's office."

12   Q     Now, explain to me, if you will, Master Sergeant  
13           Patricelli's role in the chain of command?

14   A     He was a First Sergeant.

15   Q     Okay. And did he report to you?

16   A     No.

17   Q     Did you report to him?

18   A     No.

19   Q     Okay. And did Mr. Dunham report to Master Sergeant  
20           Patricelli?

21   A     No.

22   Q     Okay. Did Mr. Gorman report to Master Sergeant  
23           Patricelli?

24   A     No.

1 Q Did Mr. Gorman report to you?

2 A Yes.

3 Q So what did Sergeant Dunham -- what are some of the  
4 things -- what role he did play at the jail? I mean  
5 what was he tasked with? Was he a supervisor?

6 A Yes.

7 Q Okay. And what was he tasked with?

8 A He was tasked with the transition and the  
9 construction of the new jail. That's what his  
10 duties were.

11 Q Okay. Still trying to -- maybe you can help me.  
12 Master Sergeant Patricelli he did not -- if you  
13 didn't report to him, explain to me where up in the  
14 chain of command he fit?

15 A I guess a First Sergeant is I guess higher than the  
16 Sergeants. But he was really assigned to like  
17 security, security risk, gang detail. That's was  
18 his assignment -- his assignment was.

19 Q Okay. And Sergeant Dunham was he in any way  
20 involved in the key detail?

21 A Yes.

22 Q What role he did play in that?

23 A He would've probably supervised John as far as  
24 working on that detail. The key detail kind of went

1 hand in hand with the expansion project, which  
2 Dunham was in charge of.

3 Q Okay. So would it make sense that Sergeant Gorman  
4 -- or Correction Officer Gorman would be in Sergeant  
5 Dunham's office?

6 A Yes.

7 Q Okay. Why would Anthony Patricelli be in Sergeant  
8 Dunham's office to observe Mr. Gorman being in there  
9 all the time?

10 A Why would he be in there?

11 Q Right.

12 A I have no idea.

13 Q Do you know if Patricelli was involved in the key  
14 detail?

15 A I don't believe so.

16 Q What did you tell Patricelli when he told you that  
17 Gorman was spending a lot of time in Sergeant  
18 Dunham's office?

19 A I don't remember.

20 Q Did you say anything to him?

21 A I don't know.

22 Q Did you think it was a problem that he was spending  
23 a lot of time in Sergeant Dunham's office?

24 A No. I didn't think it was a problem, no. The only

1           issue would've been he was a relief officer at the  
2           time.

3   Q     Who was?

4   A     I believe it was at the time Officer Gorman.

5   Q     Was a relief officer?

6   A     I believe he was a relief officer at the time, which  
7           had other duties in the jail.

8   Q     Okay.

9   A     And as part of his extra detail he was working on  
10          the key detail. He would go from his program spot  
11          and he would go out and work, working on keys.

12   Q     All right.

13   A     So other than to say that he was out there a lot, I  
14          don't see any other reason to say it.

15   Q     So why did you instruct him that he had to tell you  
16          before he went on the key detail? Was it in  
17          response to what Patricelli was telling you about  
18          him being in Dunham's office all the time?

19   A     I don't think so. It was because he was a Programs  
20          officer, which is assigned to in the jail. So now  
21          he's going to do another detail, so I can know where  
22          he is and what he's doing at that point. If we need  
23          him for escorts -- part of the relief officer's jobs  
24          is doing shakedowns, which is cell searches for

1 inmates, escorts, other things that happen during  
2 the course of the day.

3 Q Okay. Can you turn to page 21? I'm going to read  
4 your answer to a question. It says -- well, I'll do  
5 it justice. The page before it says, question:

6 "Q Okay. So if there's nothing wrong with  
7 spending time in Dunham's office, why would  
8 Patricelli come to you and express a concern that  
9 Gorman was spending time in Dunham's office?"

10 Your answer:

11 "A He's done that to me with a few people,  
12 people out front smoking when they are not doing  
13 something, he was concerned he was not doing what he  
14 was supposed to be doing. But I knew John was doing  
15 keys when he was out there, so I told John to let me  
16 know when he was going to be on key detail so that  
17 if anyone had a problem with it, I'd say yeah, I  
18 told John to go do the keys.

19 "Q Okay. And why would you perceive that  
20 there might be, using your terms, problems with it?

21 "A If anybody was saying that he's not doing  
22 what he's supposed to do."

23 Did somebody tell you he was not doing  
24 what he was supposed to be doing?

1 A No. I just -- they said he was out there, spending  
2 a lot of time in Dunham's office.

3 Q And that was Patricelli?

4 A Patricelli.

5 Q Okay. When Mr. Patricelli told you that Gorman was  
6 spending too much time in Dunham's office, did he  
7 indicate that he saw Mr. Gorman on the video?

8 A I didn't know how he knew.

9 Q All right. Are there -- under your control are  
10 there other staff members that have duties outside  
11 the secured facility such as the key detail?

12 A At the time, no.

13 Q John was the only person that you were supervisor of  
14 that --

15 A Well, John had the special detail of doing keys  
16 also. He was assigned to it when he was supervisor.  
17 And then when he came back in we still kept him on  
18 the detail.

19 Q There are no other special details at that facility  
20 at that time?

21 A I'm trying to remember if there was. There may have  
22 been people assigned to the transition team, which  
23 may have been assigned to Dunham also.

24 Q Okay. And those people were underneath you as well,

1           were they not?

2       A     They would've been assigned to Dunham, Lieutenant  
3           Dunham. That would've been his people for that  
4           project.

5       Q     So there was nobody under you in your role as a  
6           night -- go ahead.

7       A     There would've been some special post like  
8           classification officer.

9       Q     And that person would leave the secured?

10      A     Well, no. They would stay in the secured.

11      Q     But they would go to some other detail other than --

12      A     Not really, no. That would be their assigned  
13           detail. That was their full-time detail.

14      Q     All right. And generally what does staff do when  
15           they're not performing their normal duties?

16      A     They're supposed to be available if we need them.  
17           They may do shakedowns, they may do sit in the  
18           hallway, they may sit there and talk to another  
19           person that's next to them. They're to be available  
20           in case of an emergency or we need them for  
21           something.

22      Q     Okay. Do you instruct them for them to tell you  
23           where they're going to be?

24      A     If they're going to be doing a special detail or

1 something I should know about it.

2 Q Okay. And then -- but otherwise, if there's no  
3 other special detail --

4 A Otherwise, no.

5 Q All right. Has there been other staff other than  
6 Mr. Gorman when you were the watch commander that  
7 had special details?

8 A Not that I can remember.

9 Q Is Mr. Gorman the first person that's had a key  
10 detail?

11 A Yeah. As far as I recall, yes.

12 Q And then other than Mr. Gorman there's been no other  
13 staff members that have had special details?

14 A There has been. They've been assigned to transition  
15 team. Is that what you're asking?

16 Q Under your command as the Watch Commander, in your  
17 time as a Watch Commander, you were a Watch  
18 Commander for how many years?

19 A Probably three, maybe four years.

20 Q And during that time there were no, other than  
21 Mr. Gorman, no other staff members that had special  
22 details?

23 MR. MARTIN: Under him?

24 Q Under him, correct.

1 A I don't recall any of them.

2 Q Let me narrow down the questioning. Other than  
3 Mr. Gorman is there any staff member in your time as  
4 the Watch Commander that had to get permission or to  
5 instruct you where they were going?

6 A Not that I can recall.

7 Q Okay. And did anybody at the facility, at the jail  
8 instruct you to have Mr. Gorman indicate where he  
9 was going?

10 A No.

11 Q Okay. To the best of your recollection did there  
12 ever come a time when Mr. Gorman didn't do his job?

13 A No.

14 Q We're getting close.

15 A Okay.

16 Q I'm sure everybody is getting hungry.

17 Let's fast forward to June 2013. Now,  
18 there came a time when Mr. Gorman came to you and  
19 got permission to go speak to Undersheriff Russo;  
20 isn't that true?

21 A I believe so, yes.

22 Q And did you grant that request?

23 A I believe I did.

24 Q And do you believe that was in the timeframe of

1 June 2013?

2 A I don't remember the timeframe.

3 Q I'm going to direct your attention back to the same  
4 exhibit that we've been talking about, and this is  
5 Plaintiff's Exhibit 4. We're on page 24, just to  
6 kind of refresh your recollection here. And again,  
7 this is that transcript from the Workers' Comp  
8 hearing. You see the second -- well, second  
9 question.

10 "Q Okay. Did there come a day in June 2013  
11 when Mr. Gorman returned from a meeting with  
12 Undersheriff Russo and Mr. Gorman appeared visibly  
13 upset?

14 "A Yes.

15 A Yes.

16 Q Okay. You recall that incident?

17 A Yes.

18 Q Okay. And what about his appearance made you  
19 believe he was visibly upset?

20 A He seemed shaken. He might've cried when he came in  
21 the office.

22 Q And what, if anything, did he tell you?

23 A I think he was worried about losing his job. I  
24 don't remember the whole conversation.

1 Q Okay. He said something about losing his job, you  
2 recall that?

3 A I think. It was either the losing the job or the  
4 promotion, the supervisor thing. I don't remember  
5 exactly what it was about.

6 Q Okay. And do you remember what, if anything, you  
7 told him?

8 A No.

9 Q Before I go on, I have a follow-up question in  
10 regards to the -- bear with me one second. I have  
11 to see which exhibit, Exhibit 1. Do you recall me  
12 showing you what's been marked as Plaintiff's  
13 Exhibit 1, the oral warning record?

14 A Yes.

15 Q Okay. Do you recall seeing that the observation,  
16 the witness was Sergeant Maselli; right?

17 A Yes.

18 Q And isn't it policy -- it was policy then, it's  
19 policy now when a complaint -- when there's an oral  
20 warning given to a correction officer, that it can't  
21 be a naked complaint. Meaning if there's a witness  
22 observation there has to actually be a sworn in -- a  
23 statement, an informational statement as part of  
24 that complaint. Isn't that true, isn't that the

1           sheriff's department policy?

2                       MR. MARTIN: Object to the form.

3   Q    You can still answer the question.

4   A    I'm not sure.

5   Q    You don't know the policy regarding the giving of  
6       oral warnings?

7   A    Well, we did this and I think there was a -- there  
8       was a logbook that wasn't filled out properly. So I  
9       don't know what informational or I would need with  
10      that. I mean I think that probably would've been  
11      attached to it as the evidence to what happened.

12   Q    Okay. A statement could've been attached, is that  
13      what you're saying?

14   A    Could've been. I would think it would.

15   Q    Do you recall if you took a statement from  
16      Mr. Sergeant Maselli in regards to this?

17   A    Not a statement, but a copy of the logbook that  
18      wasn't filled out, the weapons log.

19   Q    All right. Now, again I just want to look at  
20      Exhibit 1. Do you see where it says Warnings Given  
21      By, and it has a signature there. That's your  
22      signature?

23   A    Yes.

24   Q    So you gave this warning to Mr. Gorman, didn't you?

1 A Yes.

2 Q All right. How did you warn him about the weapons  
3 log issue if you didn't have a statement from  
4 Sergeant Maselli? I mean you didn't do this with  
5 personal knowledge, did you? I mean this is based  
6 on his observation, not your statement, your  
7 observation, is it?

8 MR. MARTIN: Object to the form. You can  
9 answer if you can.

10 A I believe I talked to the captain about it. He was  
11 the one that mentioned to me about it and I told him  
12 I would take care of the writeup for him. As far  
13 as -- I don't know that I needed anything, a written  
14 statement from him, if I had the logbook that wasn't  
15 properly filled out.

16 Q Okay. But you don't recall if you attached the  
17 logbook to this page?

18 A I don't recall.

19 Q And again, Sergeant Hal Smith, right?

20 A Captain Hal Smith.

21 Q Captain Hal Smith?

22 A Yes.

23 Q He was going to do this. You did it for him. Did  
24 he tell you he had firsthand knowledge of this

1 incident?

2 A I believe he told me that Maselli brought it to his  
3 attention. That's why I would've put Maselli  
4 observed it.

5 Q Okay. Observed report -- or I got you. Reported  
6 by. Got you.

7 Okay. So where was Sergeant Maselli in  
8 the chain of command vis-a-vis Mr. Gorman, do you  
9 know?

10 A Sergeant Maselli would've been the watch commander  
11 when I wasn't working.

12 Q Okay.

13 A He would've been another sergeant on a day shift.

14 Q Can you tell us what, if any, policy there is  
15 regarding the logbook that you were mentioning?

16 A Policy? There's supposed -- well, what they're  
17 supposed to do is they're supposed to have a  
18 supervisor or the watch commander sign the weapon  
19 out. And also when they return it they're supposed  
20 to sign the weapon and check it back in.

21 Q Who's supposed to sign to check it back in?

22 A The watch commander or supervisor.

23 Q And is this a written policy?

24 A I'm not sure. I'm not sure if it's in writing.

1 Q Now, I want to just bring you back to this. It  
2 says, "On November 5th, 2012 Sergeant Gorman  
3 returned the keys for his auxillary weapon without  
4 having it signed in by the watch commander." That  
5 was -- it's not a reference to you, right? That  
6 would've been a reference to the watch commander  
7 himself; correct?

8 A Whoever the watch commander was that day. I don't  
9 know who the watch commander was on that day.

10 Q Okay. I'm just trying to figure out. If you're  
11 issuing the complaint against him and it's based  
12 upon the allegation that the watch commander, which  
13 is not you you've indicated, didn't sign it in,  
14 wouldn't you talk to the watch commander that  
15 reported the violation?

16 A I could. But like I said, the captain was the one  
17 that had it at that point and I told him I would do  
18 it for him.

19 Q All right.

20 A So I could have talked to Maselli. I don't recall a  
21 conversation with Maselli about it.

22 Q What I'm trying to figure out is if you weren't the  
23 watch commander that observed that it wasn't signed  
24 in and you have no knowledge that this incident

1           actually happened, how it is that you can give him a  
2           warning based on that or even Hal Smith for that  
3           matter?

4   A   Well, based on that the weapon wasn't signed back in  
5           in the logbook that's how you would know it wasn't  
6           done.

7   Q   But without having it signed in by the watch  
8           commander, so you looked at the logbook and the  
9           watch commander hadn't signed it in, is that what  
10          you're saying?

11   A   It hadn't been signed back in. Correct.

12   Q   By the watch commander; correct?

13   A   By anyone I don't believe.

14   Q   All right. And do you recall looking at the  
15          logbook?

16   A   I don't recall at this point.

17   Q   All right.

18                   MR. SORSBY: I'm going to take a  
19                   two-minute break and wrap up and grab lunch.  
20                   (Whereupon, there was a short recess in the  
21                   proceedings.)

22   BY MR. SORSBY:

23   Q   Back on the record.

24                   I just want to ask you a couple more

1 questions. Did Master Sergeant Patricelli ever come  
2 to you about other staff members not being where  
3 they're supposed to be?

4 A Yes.

5 Q And did he come to you often about that?

6 A Sometimes.

7 Q Is that his job to report to you people that are not  
8 supposed to be where they're supposed to be?

9 A No. I think he was doing it as a courtesy to let me  
10 know where people were.

11 Q Okay. And these people were your -- you were their  
12 supervisor?

13 A Yes.

14 Q All right. And when he called -- did he call you to  
15 tell you this or did he come down?

16 A I don't remember if he called me on the radio or he  
17 called me on the phone. I don't remember.

18 Q And you said this happened often. What were these  
19 people doing that they weren't supposed to be doing?

20 A Most of the time they were out front, out in front  
21 of the jail, out in front of his office.

22 Q Okay. They were out in front of his office?

23 A Outside smoking, yeah. For the most part, yes.

24 Q What did you tell him when he called and told you

1 this?

2 A I'll take care of it, I guess. I would talk to  
3 those people.

4 Q All right. Do you have some names of those people?

5 A Probably Dave Higgit, H-I-G-G-I-T. He was a  
6 sergeant on my shift.

7 Q Who else?

8 A Specific names I'm not sure.

9 Q But there were several people, is that a fair  
10 characterization?

11 A Yes.

12 Q One of the things I'm confused about is Master  
13 Sergeant Patricelli, these individuals were not  
14 under his control nor was he responsible for them in  
15 a supervisory capacity, isn't that true? You were;  
16 correct?

17 A Correct. He still is a supervisor.

18 Q Okay.

19 A So I guess you have some responsibility for that.  
20 But I am overall responsible for them.

21 Q All right. Do you have the same access to video  
22 cameras that he does to monitor your own staff?

23 A At that point, no.

24 Q Now, I just want to get an idea. In addition to

1 Dave Higgit do you have an idea about the numbers of  
2 people that he's called you about? Was it several  
3 times a year that he would call you?

4 A No. It was more often than that. Probably a couple  
5 of times a week.

6 Q Okay. It was a problem?

7 A People like to go out and smoke.

8 Q All right. And going out to smoke was that the only  
9 time that he -- those were the only incidents he was  
10 calling you about, or were there other instances  
11 where people weren't supposed to be where they were  
12 supposed to be?

13 A That's the main thing that I remember, is people  
14 being out front of the building, and whether they  
15 were smoking or whatever they were doing out front.

16 Q Did you instruct Mr. Higgit that he had to tell you  
17 where he was? Did he have to tell you where he was  
18 going?

19 A No. But I told them that they were only supposed to  
20 go out on their break times, that they weren't  
21 supposed to be out front.

22 Q Did you tell the other individuals that they had to  
23 tell you where they were going before they went  
24 somewhere?

1 A Not the normal Programs officers. No.

2 Q Was there somebody else that you told that --

3 A No.

4 Q All right. Are there other officers other than  
5 Program officers?

6 A Housing Unit officers who are assigned on a housing  
7 unit all day. So they shouldn't be going. There  
8 should be nowhere they can go.

9 Q Okay. Do you know who Sergeant Connel is?

10 A Yes.

11 Q Was he working there from 2012 to 2013 when  
12 Mr. Gorman was there?

13 A Yes.

14 Q Okay. Did Sergeant Connel talk to you about  
15 Mr. Gorman?

16 A About?

17 Q Did Sergeant Connel come to you and instruct you  
18 that Mr. Gorman had to come off his lunch and do  
19 some activities, do some work-related activities?

20 A He did say he needed him to do a delivery. I think  
21 it was about something, something to do with a  
22 delivery.

23 Q When you say a delivery, he came to you and told you  
24 that John had to do something with a delivery?

1 A I think John told me about it.

2 Q Okay. What do you recall John telling you?

3 A I think that Sergeant Connel had asked him to do a  
4 delivery.

5 Q Do you recall that Mr. Gorman told you that he had  
6 asked -- Sergeant Connel had asked him to come off  
7 his lunch and do that a couple of times?

8 A That day --

9 Q Yes.

10 A -- I think John told me that Sergeant Connel asked  
11 him to come off his break and then go do the  
12 delivery and then finish his break afterwards.

13 Q What's the delivery? Can you explain that real  
14 quick?

15 A There would be a -- in the kitchen a truck would  
16 pull up with say food on it, and they would have to  
17 go outside and supervise the inmates unload the  
18 truck or supervise the stuff coming into the jail.

19 Q And Mr. Gorman told you that Sergeant Connel  
20 instructed him to do that. Now, why wouldn't  
21 Sergeant Connel come to you to instruct one of your  
22 staff members to come off their lunch break?

23 A Because he was a sergeant assigned to the jail too.  
24 Like I said before, there was a watch commander and

1 three other sergeants. So in his capacity as a  
2 sergeant he could order somebody to do that.

3 Q Is it normal for the sergeant to order someone off  
4 their lunch break?

5 A If there's nobody available. He's got to get  
6 somebody to do it.

7 Q Okay. Wasn't it normal protocol for the sergeant  
8 himself to do the deliveries?

9 A Sergeants would help out at times to do it.

10 Q Didn't you understand that it was Sergeant Connel's  
11 duty to handle the delivery?

12 A No.

13 Q Okay. Do you understand that there are relief  
14 officers to take care of such things to the extent  
15 that somebody is on their break?

16 A Yes. But the people when they're on break they fill  
17 in -- they cover the Program spot. They're relief  
18 officers. The relief officers do the reliefs. So  
19 when they go to give somebody a break, that person  
20 takes their spot. So there's technically when  
21 everybody is doing breaks, there's nobody available.  
22 If there's a code or something happens, people on  
23 their lunch are to respond to the code and then make  
24 up their break afterwards, the rest of their break.

1 Q Okay. And I understand what you're saying. We're  
2 talking about a delivery though. We're not talking  
3 about a code; right?

4 A Right, right. No.

5 Q So this would you strike you as outside the normal  
6 procedure, would it not?

7 A No.

8 Q To take somebody off their break to have them do a  
9 delivery? We're not talking about a code. There  
10 was no code -- there's no allegation that a code was  
11 met.

12 A Right.

13 Q This is for a delivery?

14 A Right. Correct.

15 Q So it did not strike you as odd that Mr. Gorman  
16 would be taken off his break --

17 A No.

18 Q -- to do a delivery?

19 A No.

20 Q Does that normally happen?

21 A It doesn't happen very often, no, it doesn't.

22 Q It doesn't happen often?

23 A No, no.

24 Q Okay. Now, Sergeant Connel was he a relief officer

1 at that time?

2 A Sergeant Connel?

3 Q Yes.

4 A I believe he would've been a supervisor that day.

5 Q All right. If Mr. Gorman was doing a delivery, he's  
6 coming off his lunch to do a delivery, how would he  
7 also do the other officers breaks on the housing  
8 units? How could he do both?

9 A The breaks would be postponed. They'd be a little  
10 later. He'd go finish up the rest of his break when  
11 he's done doing a delivery or somebody else would  
12 have to cover the break, or pick up another break.

13 Q Okay. So you'd have to move all the breaks around?

14 A You could shift one.

15 Q Okay.

16 A I don't know how big a delivery it was. I don't  
17 know how long it was going to take.

18 Q Right. Do you know what the delivery was?

19 A I have no idea.

20 Q Is there -- I'm having trouble understanding. Is  
21 there a reason why the delivery had to be at that  
22 moment when you were short staffed like that?

23 A I don't know that we were short staffed. I just  
24 think it was a break time. I don't know what the

1 delivery was.

2 Q All right. Isn't it true the delivery could've been  
3 done later in the afternoon after everybody was off  
4 their break?

5 A Like I said, I don't know what the delivery was. If  
6 the truck was there then, I would get the delivery  
7 done then.

8 Q Okay. Is the -- and again, a layperson. Is the  
9 jail so short on supplies that the delivery has to  
10 be done at that hour? What goods do you have  
11 delivered there? Food, products?

12 A Food products, paper products, supplies.

13 Q And is it not part of the jail's policy to have  
14 enough food and supplies to last more than a day?

15 A We have more that'll last more than a day. Yes.

16 Q So isn't it fair to say that the delivery could've  
17 been done in the afternoon without the jail shutting  
18 down?

19 A Without the jail shutting down? Yes, it could've  
20 been. But the truck was there then, so we did the  
21 delivery then.

22 Q I understand.

23 A I mean if I have a truck out there I try to get the  
24 delivery done as soon as possible. I'm not going to

1 take somebody in the middle of biting their sandwich  
2 and they can go do it. But if they're done eating  
3 their lunch then they can go help out and finish up  
4 whatever they have to do after that.

5 Q And I'm just trying to understand again when  
6 somebody's -- I understand taking somebody off their  
7 break if there's a code red or a code whatever and  
8 people are needed in an emergency situation. But I  
9 was having difficulty understanding why you take  
10 somebody off their lunch for a delivery that can be  
11 done at any point, and I think we covered that.

12 So just one final question here. When  
13 Mr. Gorman came to you and he indicated Sergeant  
14 Connel asked him to come off of his lunch break,  
15 what did you tell him about -- how did you respond  
16 to that?

17 A I think I told him to do the delivery and finish his  
18 break after that. I don't remember anything other  
19 than that.

20 Q Okay. You don't recall saying to him to be patient?

21 A No. I don't recall saying that.

22 MR. SORSBY: All right. Mr. Ranken, we  
23 are done. I will reserve the right to call you  
24 back once we get documents, one of which was

1 directly relevant to your testimony. We may  
2 not bring you back. And I'll trying to bring  
3 you in in the morning so we can get you done  
4 before lunch.

5 THE WITNESS: Well, maybe after lunch  
6 would be better.

7 MR. SORSBY: Or after lunch.

8 THE WITNESS: Doesn't matter to me.

9 MR. SORSBY: But at this time I appreciate  
10 you coming out. I know you have an important  
11 job to do, so thank you for coming and maybe  
12 we'll see you again. Thank you.

13 THE WITNESS: All right. Have a good day.
